AD-1-G12Mxxx	40	100			

* A custom bracket is available which makes it possible to mount the new drive in the exact same space of the old AD-1 drive using the same mounting holes.

Notes

New replacement drives would be factory programmed for the application. If provided, SPINDEL Electronics would mark-up the electrical diagrams. Phone support would be provided to facilitate re-wiring and start-up.

Warranty

The warranty for the new replacement drives is 2 years.
